

ANGELES ELECTRIC CORPORATION

EMERGENCY POWER OUTAGE ADVISORY

DATE : September 26, 2024 (Thursday)

TIME : 04:55 PM

DETAILS :

Emergency power outage due to stormy weather causing AEC feeder line tripping affected by several down trees and down electric poles in some areas in the City of Angeles

Affected Areas:

- **Portion of Metrogate Subdivision, Brgy. Capaya**
- **Portion of Josefa Subdivison, Brgy. Malabañas**
- **Portion of Enclave Subdivison, Brgy. Pampang**
- **Villa Esperanza Subdivision, Brgy. Malabañas**
- **Portion of Savannah Subdivision, Brgy. Cuayan**
- **Portion of Brgy. Pampang**

Findings :

Trimming of tree branches lying on AEC power lines and down AEC primary and secondary electric poles

Estimated time of restoration:

Ongoing line clearing operations and restoration of down AEC primary and secondary electric poles

For your information and guidance.
